SAFETY DATA SHEET
Recombinant Human Pegylated Granulocyte Colony Stimulating Factor

For research use only

1. Identification of the Substance/preparation and of the company/undertaking
   (1) Identification of the Product: (CSF3-02H)
   (2) Manufacture/Supplier Identification:
       Creative Biomart
       45-1 Ramsey Road Shirley, NY 11967, USA
       Tel: 1-631-559-9269          Fax: 1-631-938-8127
       E-mail: info@creative-biomart.com    Website: www.creativebiomart.net
   (3) Relevant identified uses of the substance or mixture and uses advised against
       Identified uses: For research use only, not for human or veterinary use.
   (4) Emergency telephone number
       Emergency Phone #: +1-800-424-9300 (CHEMTREC Within USA and Canada)
       +1-703-527-3887 (CHEMTREC Outside USA and Canada)

2. Hazards Identification
   Physical/chemical hazards : n/a
   Human health hazards: Not specific hazard

3. Composition / Information on Ingredients
   Substance: recombinant protein was purified from .
   Formulation: The protein was extensively dialyzed against 10mM sodium acetate buffer PH= 4 and 5% mannitol was added.

4. First Aid Measures
   (1) Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.
   (2) Ingestion: Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by
mouth to an Unconscious person. If large quantities of this material are swallowed, call a physician immediately. Loosentight clothing such as a collar, tie, belt or waistband.

(3) Skin contact: In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Wash clothing before reuse. Thoroughly clean shoes before reuse. Get medical attention.

(4) Eye contact: Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.

(5) Aggravating conditions: Repeated or prolonged exposure is not known to aggravated medical condition.

5. First Aid Measures

(1) Suitable extinguishing media
Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

(2) Special hazards arising from the substance or mixture
no data available

(3) Fire Fighting Instructions
Wear self-contained breathing apparatus for fire fighting if necessary, and full protective gear to prevent contact with skin and eyes.

6. Accidental Release Measures

(1) Personal precautions, protective equipment and emergency procedures
Use personal protective equipment. Avoid breathing vapours, mist or gas. Ensure adequate ventilation. As conditions warrant, wear a NOISH approved self-contained breathing apparatus, or respirator, and appropriate personal protection (rubber boots, safety goggles, and heavy rubber gloves).

(2) Environmental precautions
Do not let product enter drains. Take steps to avoid release into the environment, if safe to do so.

(3) Methods and materials for containment and cleaning up
Soak up with inert absorbent material and dispose of as hazardous waste. Keep in suitable, closed containers for disposal in accordance with local regulations.

7. Handling and Storage

(1) Precautions for safe handling: This material is believed to be non-hazardous. Avoid inhalation, and contact with eyes, skin and clothing. Avoid repeated or prolonged exposure. Wear protective clothing.

(2) Conditions for safe storage, including any incompatibilities
Keep container tightly closed. Store in accordance with information listed on the product insert.
8. **Exposure Controls / Personal Protection**
   Eye protection: Wear goggles or safety glasses.
   Hand protection: Wear latex or vinyl gloves.
   Respiratory protection: Required when vapors/aerosols are generated.
   Ventilation: Use in well-ventilated laboratory.
   Other protective equipment: Use lab coat or apron to prevent contact with eyes, skin and clothing.

9. **Physical and Chemical Properties**
   (1) Information on basic physical and chemical properties
   Odour: no data available
   Odour Threshold: no data available
   Melting point/freezing point: no data available
   Initial boiling point and boiling range: no data available
   Flash point: no data available
   Evaporation rate: no data available
   Flammability (solid, gas): no data available
   Upper/lower flammability or explosive limits: no data available
   Vapour pressure: no data available
   Vapour density: no data available
   Relative density: no data available
   Water solubility: Soluble upon reconstitution
   Auto-ignition temperature: no data available
   Decomposition temperature: no data available
   Viscosity: no data available
   Explosive properties: no data available
   Oxidizing properties: no data available

   (2) Other safety information
   no data available

10. **Stability and Reactivity**
   (1) Reactivity: no data available
   (2) Chemical stability: The product is stable under recommended storage conditions.
   (3) Conditions to avoid: Not available.
   (4) Incompatible materials: no data available
11. **Toxicological Information**
Quantitative data on the toxicity of this product is not available. No toxic effects are to be expected when the product is handled appropriately.

12. **Ecological Information**
   1. Toxicity: no data available
   2. Persistence and degradability: no data available
   3. Bioaccumulative potential: no data available
   4. Mobility in soil: no data available
   5. Results of PBT and vPvB assessment: no data available
   6. Other adverse effects: no data available

13. **Disposal Considerations**
Contact professional waste disposal companies for proposal disposal.

14. **Transport Information**
Not subject to transport regulations.
   DOT (US) Not dangerous goods
   IMDG Not dangerous goods
   IATA Not dangerous goods

15. **Physical and Chemical Properties**
This product is not a hazardous material.
   SARA 302 Components
   SARA 302: No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.
   SARA 313 Components
   SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.
   SARA 311/312 Hazards
   Acute Health Hazard, Chronic Health Hazard
16. **Other Information**

The information contained herein is based on the present state of our knowledge. It characterizes the product with regard to the appropriate safety precautions. It does not represent a guarantee of the properties of the product.
