

Discover the Power of Recombinant F8 Protein from Creative BioMart

The applications of F8 protein extend beyond just aiding in clotting. It serves as a revolutionary tool in gene therapy, cellular research, drug discovery, and testing. Our product offers remarkable stability, high affinity, and specificity that contribute to its effective use in scientific, therapeutic interventions, and diagnostic tools.

Recombinant F8 protein from **Creative BioMart** transcends the usual standards. Manufactured under strict quality control protocols, it provides unprecedented **purity, reliability, and consistency**. Our product outperforms in terms of **quality, robustness, and efficacy**, making us a reliable ally in your scientific endeavors.

Choose **Creative BioMart** to unlock new realms in biotechnology and pharmaceutical landscapes. Get ready to experience unparalleled advancement in research activities with our superior recombinant F8 protein, fostering the future of scientific breakthroughs!

Our Featured Products

Cat.No.	Product Name	Species	Source	Tag
F8-3065H	Human Factor-VIII	Human	Human Plasma	N/A

F8-125H	Recombinant Human Coagulation Factor VIII, Procoagulant Component	Human	CHO	N/A
F8-12626H	Recombinant Human F8, His-tagged	Human	E.coli	His
F8-1921M	Recombinant Mouse F8 protein, His-tagged	Mouse	E.coli	His
F8-3309R	Recombinant Rat F8 protein, His-tagged	Rat	E.coli	His
F8-913R	Recombinant Rabbit F8 Protein, His-tagged	Rabbit	E.coli	N-His

Choose the best, choose us – because your research deserves the finest!
