

# Premium Quality Recombinant Glycoprotein

Glycoproteins are a critical component of our immune system, aiding in cell-cell interactions, immune response, and much more!

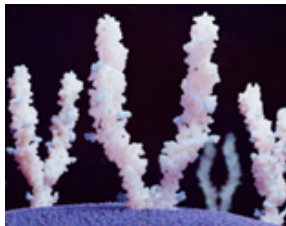

At **Creative BioMart**, we leverage the latest techniques in bio-engineering to produce recombinant Glycoproteins with unparalleled quality. Our process ensures the integrity and functionality of the produced Glycoprotein, maintaining the critical aspects these proteins are renowned for!

## Why Choose Our Recombinant Glycoprotein?

Our company strives for excellence. Not only do we guarantee the structural and functional integrity of our proteins, but we also ensure they are free from contaminants that could interfere with your work.

On top of reliable and cost-effective products, we offer unrivalled customer service, ready to answer any queries and provide technical support when required. We believe in building strong relationships with our clients based on trust, quality, and excellent service delivery.

Put our Glycoprotein proteins to the test and experience the difference. Visit our website or contact us for more information today!

Creative BioMart - Your Partner in Glycoprotein Protein Excellence!

#### Our Featured Products

| Cat.No. | Product Name   | Species | Source                   | Tag         |
|---------|--|---------|--------------------------|-------------|
| G-1827V | Recombinant VSV G ( $\Delta$ TM) Protein, His-tagged   | VSV     | HEK293                   | His         |
| G-01V   | Recombinant VSV G ( $\Delta$ TM) Protein, His & Strep-tagged                                       | VSV     | HEK293                   | His & Strep |
| G-1578V | Recombinant VSV G Protein (Met1-Arg517), C-MAT tagged  | VSV     | Baculovirus-Insect cells | C-MAT       |
| G-292V  | Recombinant RSV (A, rsb1734) G Protein, His-tagged   | RSV     | HEK293                   | His         |
| G-475V  | Recombinant RSV G Protein, His-tagged  | RSV     | HEK293                   | His         |
| G-569R  | Recombinant Human respiratory syncytial virus (RSV) (strain A2) Glycoprotein G Protein, His-tagged | RSV     | HEK293                   | His         |

Choose the best, choose us – because your research deserves the finest!
