

Native Jackbean Concanavalin A Lectin (Con A), TRITC-Conjugated

Cat. No. Con A-485J **Lot. No.** (See product label)

SPECIFICATION

Product Overview

Native Jackbean Concanavalin A Lectin (Con A) - TRITC (Rhodamine)
 Blood Group Specificity: Non-specific
 Preferred Sugar Specificity: α -Mannose, α -Glucose
 Inhibiting or Eluting Sugar: α -Methylmannoside + α -Methylglucoside
 Divalent Ions: Ca⁺⁺, Mn⁺⁺
 Excitation: 545-555 nm
 Emission: 570-580 nm
 Mitogenic Activity: Yes
 Hazardous Shipping: Non-hazardous
 Fluorescence: Orange

Species Jack Bean

Source Jackbean

Description

Affinity purified concanavalin A (Con A) is composed of two identical subunits of 237 amino acid residues (MW: 26,000 without any cystine residues). Con A does not have a blood group specificity. It exhibits mitogenic activity with lymphocytes and cancer cells. While lymphocytes and cancer aggregate by Con A; normal white cells do not. Normal cells react to Con A after proteolytic treatment which suggests that trypsinization causes clustering of the reactive glycan residues on the membrane. Con A interacts with cell types include locust muscle fibers, adipocytes, and rat liver plasma membrane components. This lectin induces endoreduplication in mammalian

cells and it reacts with E. coli, Dictyostelium discoideum and Bacillus lipopolysaccharides. Immobilized Con A has been used in affinity chromatography purifications of a wide variety of glycoproteins and cellular structures. Concanavalin A (Jackbean) Lectin (Con A) is labeled with tetramethylrhodamine isothiocyanate (TRITC) and has an appropriate number of fluorochromes bound to provide the optimum staining characteristics for this lectin. TRITC is a bright orange or red-fluorescent dye with excitation ideally suited to the 532-nm laser line. TRITC labeled Con A can be used for cellular imaging applications.

Form	Liquid
Purity	High Purity Grade
Stability	Shelf Life: 1 year
Storage	At 2-8 centigrade.
Concentration	5 mg/mL

GENE INFORMATION

Official Symbol	Con A
Synonyms	Concanavalin A Lectin; Con A
