

# Recombinant Staphylococcus aureus (strain: WBG8366, other: ST78-MRSA-IVa (2B)) SAP111A\_022 protein, His-tagged

**Cat. No.** SAP111A-022-4181S    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Staphylococcus aureus (strain: WBG8366, other: ST78-MRSA-IVa (2B)) SAP111A_022 full length or partial length protein was expressed. |
| <b>Species</b>          | Staphylococcus                                                                                                                                  |
| <b>Source</b>           | E.Coli/Yeast                                                                                                                                    |
| <b>Form</b>             | Liquid or lyophilized powder                                                                                                                    |
| <b>Endotoxin</b>        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                                 |
| <b>Purity</b>           | > 80% by SDS-PAGE                                                                                                                               |
| <b>Notes</b>            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.                |
| <b>Storage</b>          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                                             |
| <b>Storage buffer</b>   | PBS buffer                                                                                                                                      |

## GENE INFORMATION

|                  |                                                            |
|------------------|------------------------------------------------------------|
| <b>Gene Name</b> | SAP111A_022 hypothetical protein [ Staphylococcus aureus ] |
