

## Recombinant Rhesus Monkey IFNGR1 Protein, hlgG1-tagged

Cat. No. IFNGR1-1551R    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                          |
|------------------|--------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Rhesus monkey IFNGR1 Protein (NP_001253229 ( aa.18-247)) was expressed in human HEK293 cells with hlgG1 tag. |
| Species          | Rhesus macaque                                                                                                           |
| Source           | HEK293                                                                                                                   |
| ProteinLength    | 18-247 a.a.                                                                                                              |
| Form             | PBS, pH7.4.                                                                                                              |
| Purity           | > 95 %                                                                                                                   |
| Applications     | ELISA; WB; Immunogen                                                                                                     |
| Storage          | -80 centigrade, Avoid freeze/thaw cycle.                                                                                 |
| Concentration    | 1 mg/mL                                                                                                                  |

### GENE INFORMATION

|                 |                                                                       |
|-----------------|-----------------------------------------------------------------------|
| Gene Name       | IFNGR1 interferon gamma receptor 1 [ Macaca mulatta (Rhesus monkey) ] |
| Official Symbol | IFNGR1                                                                |
