

## Recombinant Rhesus Monkey SLAMF8 Protein, hlgG4-tagged

**Cat. No.** SLAMF8-1778R    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                          |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Rhesus monkey SLAMF8 Protein (XP_001117299 ( aa.23-233)) was expressed in human HEK293 cells with hlgG4 tag. |
| <b>Species</b>          | Rhesus macaque                                                                                                           |
| <b>Source</b>           | HEK293                                                                                                                   |
| <b>ProteinLength</b>    | 23-233 a.a.                                                                                                              |
| <b>Description</b>      | May play a role in B-lineage commitment and/or modulation of signaling through the B-cell receptor.                      |
| <b>Form</b>             | PBS, pH7.4.                                                                                                              |
| <b>Purity</b>           | > 95 %                                                                                                                   |
| <b>Applications</b>     | ELISA; WB; Immunogen                                                                                                     |
| <b>Storage</b>          | -80 centigrade, Avoid freeze/thaw cycle.                                                                                 |
| <b>Concentration</b>    | 1 mg/mL                                                                                                                  |

### GENE INFORMATION

|                  |                                                                       |
|------------------|-----------------------------------------------------------------------|
| <b>Gene Name</b> | SLAMF8 SLAM family member 8 [ <i>Macaca mulatta</i> (Rhesus monkey) ] |
|------------------|-----------------------------------------------------------------------|
