

# Recombinant Human CCDC15 Protein, GST-Tagged

**Cat. No.** CCDC15-0533H    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human CCDC15 full-length ORF (ENSP00000341684, 1 a.a. - 465 a.a.) recombinant protein with GST-tag at N-terminal.                                                                                                                                                                                                                                                                                                                                                                                                 |
| <b>Species</b>          | Human                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Source</b>           | Wheat Germ                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Description</b>      | CCDC15 (Coiled-Coil Domain Containing 15) is a Protein Coding gene.                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Molecular Mass</b>   | 79 kDa                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

 45-1 Ramsey Road, Shirley, NY 11967, USA

**Storage** Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing.

**Storage Buffer** 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.

## GENE INFORMATION

**Gene Name** CCDC15 coiled-coil domain containing 15 [ Homo sapiens ]

**Official Symbol** CCDC15

**Synonyms** CCDC15; coiled-coil domain containing 15; coiled-coil domain-containing protein 15

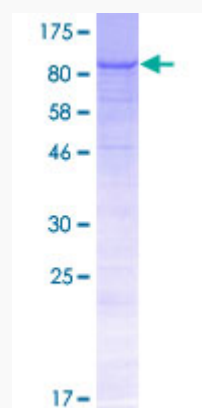

**Gene ID** 80071

**mRNA Refseq** NM\_025004

**Protein Refseq** NP\_079280

**UniProt ID** Q0P6D6

**Quality Control  
Testing**

12.5% SDS-PAGE Stained with Coomassie Blue.
