

## Recombinant HPV-6 E1 Protein

Cat. No. E1-1672H    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                  |
|------------------|------------------------------------------------------------------|
| Product Overview | Recombinant HPV-6 E1 protein(CDK37672) was expressed in E. coli. |
| Species          | HPV6                                                             |
| Source           | E.coli                                                           |
| Form             | PBS, pH 7.4.                                                     |
| Purity           | >95%                                                             |
| Applications     | WB standard, Ab ELISA, immunogen, etc.                           |
| Storage          | Store at -80 centigrade, Avoid freeze / thaw cycle.              |
| Concentration    | 1mg/mL                                                           |
