

## Recombinant HPV-26 E6 Protein

**Cat. No.** E6-1683H    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                    |
|-------------------------|--------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant HPV-26 E6 protein(NC_001583) was expressed in E. coli. |
| <b>Species</b>          | HPV26                                                              |
| <b>Source</b>           | E.coli                                                             |
| <b>ProteinLength</b>    | 1-158 aa                                                           |
| <b>Form</b>             | PBS, pH 7.4.                                                       |
| <b>Purity</b>           | >95%                                                               |
| <b>Applications</b>     | WB standard, Ab ELISA, immunogen, etc.                             |
| <b>Storage</b>          | Store at -80 centigrade, Avoid freeze / thaw cycle.                |
| <b>Concentration</b>    | 1mg/mL                                                             |
