

## Recombinant HSV-1 gH&gL Protein

Cat. No. gH-1703H    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                         |
|------------------|-------------------------------------------------------------------------|
| Product Overview | Recombinant HSV-1 gH&gL protein(P06477/P10185) was expressed in HEK293. |
| Species          | HSV1                                                                    |
| Source           | HEK293                                                                  |
| Form             | PBS, pH 7.4.                                                            |
| Purity           | >95%                                                                    |
| Applications     | WB standard, Ab ELISA, immunogen, etc.                                  |
| Storage          | Store at -80 centigrade, Avoid freeze / thaw cycle.                     |
| Concentration    | 1mg/mL                                                                  |
