

## Recombinant H13N8 (A/black-headed gull/Netherlands/1/00) HA1 Protein, His-tagged

Cat. No. HA1-1938H    Lot. No. (See product label)

### SPECIFICATION

|                         |                                                                                                                                               |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | C-terminal 6xHis tagged HA1(H13N8)(A/black-headed gull/Netherlands/1/00) protein (a.a.17-341) (Genebank #: AAV91212) was expressed in HEK293. |
| <b>Species</b>          | H13N8                                                                                                                                         |
| <b>Source</b>           | HEK293                                                                                                                                        |
| <b>ProteinLength</b>    | 17-341 a.a.                                                                                                                                   |
| <b>Form</b>             | PBS, pH 7.4.                                                                                                                                  |
| <b>Purity</b>           | >95%                                                                                                                                          |
| <b>Applications</b>     | WB standard, antibody ELISA, immunogen                                                                                                        |
| <b>Storage</b>          | Store at -80 centigrade, Avoid freeze / thaw cycle.                                                                                           |
| <b>Concentration</b>    | 1mg/mL                                                                                                                                        |
