

# Recombinant Human FAM204A Protein, GST-tagged

**Cat. No.** FAM204A-3734H    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human FAM204A full-length ORF ( NP_071346.1, 1 a.a. - 233 a.a.) recombinant protein with GST-tag at N-terminal.                                                                                                                                           |
| <b>Species</b>          | Human                                                                                                                                                                                                                                                     |
| <b>Source</b>           | Wheat Germ                                                                                                                                                                                                                                                |
| <b>Description</b>      | FAM204A (Family With Sequence Similarity 204 Member A) is a Protein Coding gene.                                                                                                                                                                          |
| <b>Molecular Mass</b>   | 53.4 kDa                                                                                                                                                                                                                                                  |

|                         |                                                                                                                                                                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Storage</b>          | Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                   |
| <b>Storage Buffer</b>   | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                                                                                                                                                                   |
| <b>GENE INFORMATION</b> |                                                                                                                                                                                                                                                            |
| <b>Gene Name</b>        | FAM204A family with sequence similarity 204, member A [ Homo sapiens ]                                                                                                                                                                                     |
