

# Recombinant Human FAM81A Protein, GST-tagged

**Cat. No.** FAM81A-3802H    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                                                                                                                                                                                                                                                      |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human FAM81A full-length ORF ( NP_689663.1, 1 a.a. - 365 a.a.) recombinant protein with GST-tag at N-terminal.                                                                                                                                                                                                                                                                                       |
| <b>Species</b>          | Human                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Source</b>           | Wheat Germ                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Description</b>      | FAM81A (Family With Sequence Similarity 81 Member A) is a Protein Coding gene. An important paralog of this gene is FAM81B.                                                                                                                                                                                                                                                                          |
| <b>Molecular Mass</b>   | 68.4 kDa                                                                                                                                                                                                                                                                                                                                                                                             |

|                         |                                                                                 |
|-------------------------|---------------------------------------------------------------------------------|
| <b>Notes</b>            | Best use within three months from the date of receipt of this protein.          |
| <b>Storage</b>          | Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing.        |
| <b>Storage Buffer</b>   | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.        |
| <b>GENE INFORMATION</b> |                                                                                 |
| <b>Gene Name</b>        | FAM81A family with sequence similarity 81, member A [ Homo sapiens ]            |
| <b>Official Symbol</b>  | FAM81A                                                                          |
| <b>Synonyms</b>         | FAM81A; family with sequence similarity 81, member A; protein FAM81A; MGC26690; |
| <b>Gene ID</b>          | 145773                                                                          |
