

# Recombinant Human SFMBT2 Protein, MYC/DDK-tagged

**Cat. No.** SFMBT2-1116H    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant human SFMBT2 protein, fused to MYC/DDK tag at C-terminus, was expressed in HEK293. |
| <b>Species</b>          | Human                                                                                          |
| <b>Source</b>           | HEK293                                                                                         |
| <b>Form</b>             | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10 % glycerol.                                         |
| <b>Molecular Mass</b>   | 100.4 kDa                                                                                      |
| <b>Purity</b>           | >50 ug/mL as determined by microplate BCA method                                               |
| <b>Concentration</b>    | >50 ug/mL as determined by microplate BCA method                                               |

## GENE INFORMATION

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b>       | SFMBT2 Scm-like with four mbt domains 2 [ Homo sapiens ]                                                                 |
| <b>Official Symbol</b> | SFMBT2                                                                                                                   |
| <b>Synonyms</b>        | OTTHUMP00000019055; OTTHUMP00000044865; Scm-related gene containing four mbt domains 2; Scm-like with four mbt domains 2 |
| <b>Gene ID</b>         | 57713                                                                                                                    |
