

## Recombinant IBV (B/Florida/4/2006) HA ( $\Delta$ TM) Protein, His-tagged

Cat. No. HA-1848I    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                                         |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | 6xHis tagged ectodomain of human influenza B virus (B/Florida/4/2006) HA protein (a.a.17-546)(Genebank accession no. ACA33493) was expressed in HEK293. |
| Species          | IBV                                                                                                                                                     |
| Source           | HEK293                                                                                                                                                  |
| ProteinLength    | 17-546 a.a.                                                                                                                                             |
| Form             | PBS, pH 7.4.                                                                                                                                            |
| Purity           | >95%                                                                                                                                                    |
| Applications     | WB standard, antibody ELISA, immunogen                                                                                                                  |
| Storage          | Store at -80 centigrade, Avoid freeze / thaw cycle.                                                                                                     |
| Concentration    | 1mg/mL                                                                                                                                                  |
