

## Recombinant H1N1 (A/Christchurch/16/2010) HA ( $\Delta$ TM) Protein, His-tagged

**Cat. No.** HA-1864H    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | C-terminal 6xHis tagged HA(A/Christchurch/16/2010)(H1N1) (a.a.18-529) was expressed in HEK293. |
| <b>Species</b>          | H1N1                                                                                           |
| <b>Source</b>           | HEK293                                                                                         |
| <b>ProteinLength</b>    | 18-529 a.a.                                                                                    |
| <b>Form</b>             | PBS, pH 7.4.                                                                                   |
| <b>Purity</b>           | >95%                                                                                           |
| <b>Applications</b>     | WB standard, antibody ELISA, immunogen                                                         |
| <b>Storage</b>          | Store at -80 centigrade, Avoid freeze / thaw cycle.                                            |
| <b>Concentration</b>    | 1mg/mL                                                                                         |
