

## Recombinant H6N1 (A/northern shoveler/California/HKWF115/2007) HA ( $\Delta$ TM) Protein, His-tagged

Cat. No. HA-1908H    Lot. No. (See product label)

### SPECIFICATION

|                         |                                                                                                                                                                    |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | C-terminal 6xHis tagged HA( $\Delta$ TM)(A/northern shoveler/California/HKWF115/2007(H6N1)) protein (a.a. 17-529) (Genebank No. ACE81692) was expressed in HEK293. |
| <b>Species</b>          | H6N1                                                                                                                                                               |
| <b>Source</b>           | HEK293                                                                                                                                                             |
| <b>ProteinLength</b>    | 17-529 a.a.                                                                                                                                                        |
| <b>Form</b>             | PBS, pH 7.4.                                                                                                                                                       |
| <b>Purity</b>           | >95%                                                                                                                                                               |
| <b>Applications</b>     | WB standard, antibody ELISA, immunogen                                                                                                                             |
| <b>Storage</b>          | Store at -80 centigrade, Avoid freeze / thaw cycle.                                                                                                                |
| <b>Concentration</b>    | 1mg/mL                                                                                                                                                             |
