

## Recombinant NRG4 Protein, GST-tagged

**Cat. No.** NRG4-167    **Lot. No.** (See product label)

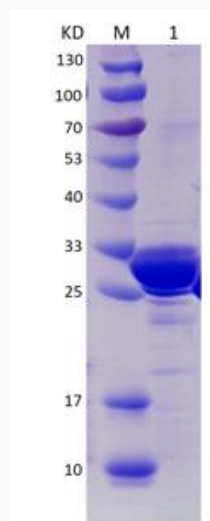

### SPECIFICATION

|                         |                                                                                                                                                                                                                                                                                                                      |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant NRG4 fused with GST tag at N-terminal was produced in E. coli.                                                                                                                                                                                                                                           |
| <b>Source</b>           | E.coli                                                                                                                                                                                                                                                                                                               |
| <b>Form</b>             | 50 mM Tris-HCl, 150 mM NaCl, 1 mM EDTA, 1 mM DTT, pH 7.5                                                                                                                                                                                                                                                             |
| <b>Molecular Mass</b>   | The theory of molecular size: about 6.8 KD. (About 32 KD with GST tag)                                                                                                                                                                                                                                               |
