

## Recombinant Salmon il21 Protein

**Cat. No.** il21-4335S    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                                   |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Salmon il21 Protein (122aa) was expressed in yeast.                                                                                   |
| <b>Species</b>          | Salmon                                                                                                                                            |
| <b>Source</b>           | Yeast                                                                                                                                             |
| <b>ProteinLength</b>    | 122aa                                                                                                                                             |
| <b>Form</b>             | Lyophilized                                                                                                                                       |
| <b>Molecular Mass</b>   | 14.2 kDa                                                                                                                                          |
| <b>AA sequence</b>      | DNVERTMKLT EVLKELRQLN KSVEHNGVML NTPTMDIEEC CFLSTLECFQ<br>KMPRLKTKQ KKLQCKVSRN LKPLTFTGVD SCSREEREKK VCQGCDSYPM<br>KDSREFVQQL ESSLQKAMTR LV (122) |
| <b>Purity</b>           | >95% as visualized by SDS-PAGE analysis.                                                                                                          |
| <b>Applications</b>     | This endotoxin-free recombinant protein can be used in cell culture, ELISA Standard, and as a Western Blot Control.                               |
| <b>Storage</b>          | Store at -20 centigrade.                                                                                                                          |
