

## Recombinant Atlantic Salmon CCL4 Protein

Cat. No. CCL4-4396A    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                     |
|------------------|---------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Atlantic Salmon CCL4 Protein (77aa) was expressed in yeast.                                             |
| Species          | Atlantic Salmon                                                                                                     |
| Source           | Yeast                                                                                                               |
| ProteinLength    | 77aa                                                                                                                |
| Form             | Lyophilized                                                                                                         |
| Molecular Mass   | 8.7 kDa                                                                                                             |
| AA sequence      | LRMASGPKKC CFTFADRQIP RGKVVG YTKT SQQCSNPAIL FKTQAGRQVC<br>ARSSDRWVKD YINFLDSKKS GEQTPLL (77)                       |
| Purity           | >95% as visualized by SDS-PAGE analysis.                                                                            |
| Applications     | This endotoxin-free recombinant protein can be used in cell culture, ELISA Standard, and as a Western Blot Control. |
| Storage          | Store at -20 centigrade.                                                                                            |

### GENE INFORMATION

|           |                                                                           |
|-----------|---------------------------------------------------------------------------|
| Gene Name | LOC100136511 CCL4-like chemokine [ <i>Salmo salar</i> (Atlantic salmon) ] |
