

HRP, FITC labeled

Cat. No. HRP-001 **Lot. No.** (See product label)

SPECIFICATION

Product Overview	We provides a variety of chemically functionalized and bio-conjugated Horseradish Peroxidase (HRP) for bioassay development. These functional HRP products were purified by size chromatography to remove non-conjugated molecules and ensure adequate applications both in-vitro and in-vivo.
Description	The enzyme horseradish peroxidase (HRP), found in the roots of horseradish, is used extensively in biochemistry applications. It is a metalloenzyme with many isoforms, of which the most studied type is C. It catalyzes the oxidation of various organic substrates by hydrogen peroxide.
Form	Freeze dried powder
Storage	Store at 4 centigrade. Protect from light.
