

## Rabbit Anti-TELO2 Polyclonal Antibody

Cat. No. DPAB17737    Lot. No. (See product label)

### SPECIFICATION

|                  |                                       |
|------------------|---------------------------------------|
| Product Overview | Rabbit Anti-TELO2 Polyclonal Antibody |
| Species          | Human                                 |
| Source           | Rabbit                                |
| Target           | TELO2                                 |
| Isotype          | Ig                                    |
| species          | Human                                 |
| Conjugation      | N/A                                   |
| Applications     | IHC,WB                                |
| Storage          | -20 °C                                |

### GENE INFORMATION

|                 |                                                                            |
|-----------------|----------------------------------------------------------------------------|
| Gene Name       | TELO2 TEL2,telomere maintenance 2,homolog (S. cerevisiae) [ Homo sapiens ] |
| Official Symbol | TELO2                                                                      |
| Synonyms        | CLK2;TEL2                                                                  |
