

## Recombinant Baltic cod fish allergen Gad c 1 Protein

**Cat. No.** Gad c 1-03B    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                     |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | This recombinant protein contains full length of Gad c 1, a major allergen of Baltic cod fish without tag was expressed in E. coli. |
| <b>Species</b>          | Baltic cod fish                                                                                                                     |
| <b>Source</b>           | E.coli                                                                                                                              |
| <b>Description</b>      | Gad c 1 a major allergen of Baltic cod fish.                                                                                        |
| <b>Form</b>             | Affinity purified, liquid                                                                                                           |
| <b>Purity</b>           | >95% pure by SDS-PAGE                                                                                                               |
| <b>Applications</b>     | Suitable for use in ELISA, WB and other immune tests                                                                                |
| <b>Storage</b>          | Storage Upon receipt, quick spin before open vial, aliquot and store at $\leq -20$ centigrade. Avoid multiple freeze/thaw cycles    |
| <b>Storage Buffer</b>   | PBS, pH 7.3                                                                                                                         |
| <b>Preservative</b>     | 0.05% NaN <sub>3</sub>                                                                                                              |
| <b>Full Length</b>      | Full L.                                                                                                                             |
