

# Recombinant Monkey FGFR1 Protein, Fc-tagged, FITC conjugated

**Cat. No.** FGFR1-8817RF    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                                        |

| <b>Product Overview</b> | FITC conjugated recombinant monkey FGFR1 protein was expressed with a Fc tag.                                                                                                          |
| <b>Species</b>          | Monkey                                                                                                                                                                                 |
| <b>Characteristic</b>   | Disulfide-linked homodimer<br>Labeled with FITC via amines<br>Excitation source: 488 nm spectral line, argon-ion laser<br>Excitation Wavelength: 488 nm<br>Emission Wavelength: 535 nm |
| <b>Conjugation</b>      | FITC                                                                                                                                                                                   |

## GENE INFORMATION

|                        |                                                                                                                                         |
