

## Recombinant Monkeypox Virus 13 Protein, IL-18 binding Protein (Interleukin-18-binding Protein)

Cat. No. MPXV-0004    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                             |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Monkeypox Virus 13 Protein, IL-18 binding Protein (Interleukin-18-binding Protein) full length or partial length was expressed. |
| Species          | VACV                                                                                                                                        |
| Source           | Mammalian Cells                                                                                                                             |
| ProteinLength    | 126                                                                                                                                         |
| Form             | Liquid or lyophilized powder                                                                                                                |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                             |
| Purity           | >80%                                                                                                                                        |
| Notes            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.            |
| Storage          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                                         |
| Storage Buffer   | PBS buffer                                                                                                                                  |
| Protein Names    | IL-18 binding protein (Interleukin-18-binding protein)                                                                                      |
