

# Recombinant Monkeypox Virus 13 Protein, IL-18 binding Protein (Interleukin-18-binding Protein)

**Cat. No.** MPXV-0004    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Monkeypox Virus 13 Protein, IL-18 binding Protein (Interleukin-18-binding Protein) full length or partial length was expressed. |
| <b>Species</b>          | VACV                                                                                                                                        |
| <b>Source</b>           | Mammalian Cells                                                                                                                             |
| <b>ProteinLength</b>    | 126                                                                                                                                         |
| <b>Form</b>             | Liquid or lyophilized powder                                                                                                                |
| <b>Endotoxin</b>        | < 1.0 EU per µg of the protein as determined by the LAL method.                                                                             |
| <b>Purity</b>           | >80%                                                                                                                                        |
| <b>Notes</b>            | This item requires custom production and lead time is between 5-9 weeks. We can custom produce according to your specifications.            |
| <b>Storage</b>          | Store it at +4 °C for short term. For long term storage, store it at -20 °C~-80 °C.                                                         |
| <b>Storage Buffer</b>   | PBS buffer                                                                                                                                  |
| <b>Protein Names</b>    | IL-18 binding protein (Interleukin-18-binding protein)                                                                                      |
