

Recombinant Chicken MTNR1A Protein, His-tagged

Cat. No. MTNR1A-1142C **Lot. No.** (See product label)

SPECIFICATION

Product Overview	Recombinant Chicken MTNR1A Protein (Gly299-Val353) with His tag was expressed in E. coli.
Species	Chicken
Source	E.coli
ProteinLength	Gly299-Val353
Description	This gene encodes one of two high affinity forms of a receptor for melatonin, the primary hormone secreted by the pineal gland. This receptor is a G-protein coupled, 7-transmembrane receptor that is responsible for melatonin effects on mammalian circadian rhythm and reproductive alterations affected by day length. The receptor is an integral membrane protein that is readily detectable and localized to two specific regions of the brain. The hypothalamic suprachiasmatic nucleus appears to be involved in circadian rhythm while the hypophyseal pars tuberalis may be responsible for the reproductive effects of melatonin.
Form	Freeze-dried powder
Molecular Mass	Predicted Molecular Mass: 9.9 kDa; Accurate Molecular Mass: 13 kDa
Purity	> 97%
Applications	Positive Control; Immunogen; SDS-PAGE; WB.

 Tel: 1-631-559-9269 1-516-512-3133

Stability	The thermal stability is described by the loss rate. The loss rate was determined by accelerated thermal degradation test, that is, incubate the protein at 37 centigrade for 48h, and no obvious degradation and precipitation were observed. The loss rate is less than 5% within the expiration date under appropriate storage condition.
Storage	Avoid repeated freeze/thaw cycles. Store at 2-8 centigrade for one month. Aliquot and store at -80 centigrade for 12 months.
Storage Buffer	PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.
Reconstitution	Reconstitute in PBS or others.

GENE INFORMATION

Gene Name	MTNR1A melatonin receptor 1A [Gallus gallus (chicken)]
Official Symbol	MTNR1A
Synonyms	MTNR1A; melatonin receptor 1A; CKA; Mel1a; mel-1A-R; melatonin receptor type 1A; Mel-1a melatonin receptor; mel1a receptor
Gene ID	396319
mRNA Refseq	NM_205362
Protein Refseq	NP_990693
UniProt ID	P49285
