

## Recombinant Full Length Human FABP2 protein, Flag-tagged

Cat. No. FABP2-4610HFL    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                             |
|------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Full Length Human FABP2 protein, fused with C-terminal Flag tag, was expressed in mammalian cells.              |
| Species          | Human                                                                                                                       |
| Source           | Mammalian Cells                                                                                                             |
| Form             | 100 mM glycine, 25 mM Tris-HCl, pH 7.3.                                                                                     |
| Molecular Mass   | 15.2 kDa                                                                                                                    |
| Purity           | > 80% as determined by SDS-PAGE and Coomassie blue staining                                                                 |
| Concentration    | > 50 ug/ml as determined by BCA                                                                                             |
| Shipping         | The product is shipped with dry ice or equivalent. Upon receipt, store it immediately at the temperature recommended below. |
| Full Length      | Full L.                                                                                                                     |

### GENE INFORMATION

|                 |                                                                 |
|-----------------|-----------------------------------------------------------------|
| Gene Name       | FABP2 fatty acid binding protein 2, intestinal [ Homo sapiens ] |
| Official Symbol | FABP2                                                           |
