

## Recombinant Full Length Human TPBG protein, Flag-tagged

Cat. No. TPBG-4992HFL    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                             |
|------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Full Length Human TPBG protein, fused with C-terminal Flag tag, was expressed in mammalian cells.               |
| Species          | Human                                                                                                                       |
| Source           | Mammalian Cells                                                                                                             |
| Form             | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol.                                                                       |
| Molecular Mass   | 46 kDa                                                                                                                      |
| Purity           | > 80% as determined by SDS-PAGE and Coomassie blue staining                                                                 |
| Concentration    | >50 ug/mL as determined by microplate BCA method                                                                            |
| Shipping         | The product is shipped with dry ice or equivalent. Upon receipt, store it immediately at the temperature recommended below. |
| Full Length      | Full L.                                                                                                                     |

### GENE INFORMATION

|                 |                                                |
|-----------------|------------------------------------------------|
| Gene Name       | TPBG trophoblast glycoprotein [ Homo sapiens ] |
| Official Symbol | TPBG                                           |
