

# Recombinant Full Length Human BCORP1 Protein, GST-tagged

**Cat. No.** BCORP1-1558HF    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                        |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human BCORL2 full-length ORF ( ENSP00000346742, 1 a.a. - 145 a.a.) recombinant protein with GST-tag at N-terminal.                                                     |
| <b>Species</b>          | Human                                                                                                                                                                  |
| <b>Source</b>           | In Vitro Cell Free System                                                                                                                                              |
| <b>ProteinLength</b>    | 145 amino acids                                                                                                                                                        |
| <b>Description</b>      | BCORP1 (BCL6 Corepressor Pseudogene 1) is a Pseudogene.                                                                                                                |
| <b>Form</b>             | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                                                                               |
| <b>Molecular Mass</b>   | 42.7 kDa                                                                                                                                                               |
| <b>AA Sequence</b>      | MKEKLSKKRA EVKGNRSWLE EFLKPSDNEE GPPPKNKVLS NNASSQKPTH<br>SSCIPLLRLP DKQQKVNESI KTDMLCTDKE EECPAASLLQ KYTNNSEKPS<br>GKRQCKTKHL ISQDLRQGFL LTGKCYVENA DGKIPLGTCTF LLGLI |
| <b>Storage</b>          | Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing.                                                                                               |
| <b>Storage Buffer</b>   | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                                                                               |
