

# Recombinant Full Length Human C10orf82 Protein, GST-tagged

**Cat. No.** C10orf82-1785HF    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                    |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human C10orf82 full-length ORF ( NP_653262.1, 1 a.a. - 154 a.a.) recombinant protein with GST-tag at N-terminal.                                                   |
| <b>Species</b>          | Human                                                                                                                                                              |
| <b>Source</b>           | In Vitro Cell Free System                                                                                                                                          |
| <b>ProteinLength</b>    | 154 amino acids                                                                                                                                                    |
| <b>Description</b>      | C10orf82 (Chromosome 10 Open Reading Frame 82) is a Protein Coding gene.                                                                                           |
| <b>Form</b>             | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                                                                           |
| <b>Molecular Mass</b>   | 44.2 kDa                                                                                                                                                           |
| <b>AA Sequence</b>      | MEPSKTFMRNLPITPGYSGFVPFLSCQGMSKEDDMNHCVKTFQEKTQRYKEQLRE<br>LCCAVATAPKLKPVNSEETVLQALHQYNLQYHPLILECKYVKKPLQEPPIPGWAGYL<br>PRAKVTEFGCGTRYTVMAKNKYKDFLEITERAKKAHLKPYEE |
| <b>Storage</b>          | Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing.                                                                                           |
| <b>Storage Buffer</b>   | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                                                                           |
