

# Recombinant Full Length Human CCDC97 Protein, GST-tagged

**Cat. No.** CCDC97-2913HF    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                                                                                                                                                                                                                               |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human CCDC97 full-length ORF (NP_443080.1, 1 a.a. - 343 a.a.) recombinant protein with GST-tag at N-terminal.                                                                                                                                                                                                                                                                 |
| <b>Species</b>          | Human                                                                                                                                                                                                                                                                                                                                                                         |
| <b>Source</b>           | In Vitro Cell Free System                                                                                                                                                                                                                                                                                                                                                     |
| <b>ProteinLength</b>    | 343 amino acids                                                                                                                                                                                                                                                                                                                                                               |
| <b>Description</b>      | CCDC97 (Coiled-Coil Domain Containing 97) is a Protein Coding gene.                                                                                                                                                                                                                                                                                                           |
| <b>Molecular Mass</b>   | 65.3 kDa                                                                                                                                                                                                                                                                                                                                                                      |

|                |                                                                          |
|----------------|--------------------------------------------------------------------------|
| <b>Storage</b> | Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing. |
|----------------|--------------------------------------------------------------------------|

|                       |                                                                          |
|-----------------------|--------------------------------------------------------------------------|
| <b>Storage Buffer</b> | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer. |
|-----------------------|--------------------------------------------------------------------------|

## GENE INFORMATION

|                  |                                                          |
|------------------|----------------------------------------------------------|
| <b>Gene Name</b> | CCDC97 coiled-coil domain containing 97 [ Homo sapiens ] |
|------------------|----------------------------------------------------------|

|                        |        |
|------------------------|--------|
| <b>Official Symbol</b> | CCDC97 |
|------------------------|--------|

|                 |                                          |
|-----------------|------------------------------------------|
| <b>Synonyms</b> | CCDC97; coiled-coil domain containing 97 |
|-----------------|------------------------------------------|

|                |       |
|----------------|-------|
| <b>Gene ID</b> | 90324 |
|----------------|-------|

|                    |           |
|--------------------|-----------|
| <b>mRNA Refseq</b> | NM_052848 |
|--------------------|-----------|

|                       |           |
|-----------------------|-----------|
| <b>Protein Refseq</b> | NP_443080 |
|-----------------------|-----------|

|                   |        |
|-------------------|--------|
| <b>UniProt ID</b> | Q96F63 |
|-------------------|--------|
