

# Recombinant Full Length Human LINC00173 Protein, GST-tagged

**Cat. No.** LINC00173-4913HF    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                         |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human FLJ42957 full-length ORF ( NP_997319.1, 1 a.a. - 143 a.a.) recombinant protein with GST-tag at N-terminal.                                        |
| <b>Species</b>          | Human                                                                                                                                                   |
| <b>Source</b>           | In Vitro Cell Free System                                                                                                                               |
| <b>ProteinLength</b>    | 143 amino acids                                                                                                                                         |
| <b>Description</b>      | LINC00173 (Long Intergenic Non-Protein Coding RNA 173) is an RNA Gene, and is affiliated with the non-coding RNA class.                                 |
| <b>Molecular Mass</b>   | 42.8 kDa                                                                                                                                                |
| <b>AA Sequence</b>      | MSFSPYSTMITVCVCFNSRVQLTVPSFTAWLRSRYSKALFMVLRRAAQEKDKGVCQ<br>GWHCVKKWACKGRIPGQPLQPQPLGPYLRSLSQHPATQTPRPQARASSRYLELHR<br>SQNRGGSEFKFWFCYCLIACCRDSISSSGKWE |
| <b>Applications</b>     | Enzyme-linked Immunoabsorbent Assay<br>Western Blot (Recombinant protein)<br>Antibody Production<br>Protein Array                                       |
| <b>Notes</b>            | Best use within three months from the date of receipt of this protein.                                                                                  |

|                |                                                                          |
|----------------|--------------------------------------------------------------------------|
| <b>Storage</b> | Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing. |
|----------------|--------------------------------------------------------------------------|

|                       |                                                                          |
|-----------------------|--------------------------------------------------------------------------|
| <b>Storage Buffer</b> | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer. |
|-----------------------|--------------------------------------------------------------------------|

## GENE INFORMATION

|                  |                                                                               |
|------------------|-------------------------------------------------------------------------------|
| <b>Gene Name</b> | LINC00173 long intergenic non-protein coding RNA 173 [ Homo sapiens (human) ] |
|------------------|-------------------------------------------------------------------------------|

|                        |           |
|------------------------|-----------|
| <b>Official Symbol</b> | LINC00173 |
|------------------------|-----------|

|                 |                                                                                                   |
|-----------------|---------------------------------------------------------------------------------------------------|
| <b>Synonyms</b> | LINC00173; long intergenic non-protein coding RNA 173; NCRNA00173; FLJ42957; MGC148154; MGC148155 |
|-----------------|---------------------------------------------------------------------------------------------------|

|                |           |
|----------------|-----------|
| <b>Gene ID</b> | 100287569 |
|----------------|-----------|

|                   |        |
|-------------------|--------|
| <b>UniProt ID</b> | Q6ZV60 |
|-------------------|--------|
