

# Recombinant Full Length Human FLJ45513 Protein, GST-tagged

**Cat. No.** FLJ45513-4937HF    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Human FLJ45513 full-length ORF (BAC86972.1, 1 a.a. - 130 a.a.) recombinant protein with GST-tag at N-terminal.                               |
| <b>Species</b>          | Human                                                                                                                                        |
| <b>Source</b>           | In Vitro Cell Free System                                                                                                                    |
| <b>ProteinLength</b>    | 130 amino acids                                                                                                                              |
| <b>Description</b>      | FLJ45513 (Uncharacterized LOC729220) is a Protein Coding gene.                                                                               |
| <b>Molecular Mass</b>   | 40.1 kDa                                                                                                                                     |
| <b>AA Sequence</b>      | MTTGWGSPESKGGGEETDVQKEAGISGDTPSPAALSSLHTLPGSDKPERKPTMQDC<br>PCDGSSRGSSISKRLRGPHRGPGPQAKATPVSLPSWEWEESGPALSCLPPWKPSLS<br>TGLLFTRLCLWLVGICPLSD |
| <b>Applications</b>     | Enzyme-linked Immunoabsorbent Assay<br>Western Blot (Recombinant protein)<br>Antibody Production<br>Protein Array                            |
| <b>Notes</b>            | Best use within three months from the date of receipt of this protein.                                                                       |

|                |                                                                          |
|----------------|--------------------------------------------------------------------------|
| <b>Storage</b> | Store at -80 centigrade. Aliquot to avoid repeated freezing and thawing. |
|----------------|--------------------------------------------------------------------------|

|                       |                                                                          |
|-----------------------|--------------------------------------------------------------------------|
| <b>Storage Buffer</b> | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer. |
|-----------------------|--------------------------------------------------------------------------|

## GENE INFORMATION

|                  |                                                             |
|------------------|-------------------------------------------------------------|
| <b>Gene Name</b> | FLJ45513 uncharacterized LOC729220 [ Homo sapiens (human) ] |
|------------------|-------------------------------------------------------------|

|                        |          |
|------------------------|----------|
| <b>Official Symbol</b> | FLJ45513 |
|------------------------|----------|

|                 |                                                                                                                  |
|-----------------|------------------------------------------------------------------------------------------------------------------|
| <b>Synonyms</b> | FLJ45513; uncharacterized LOC729220; uncharacterized protein LOC729220; Uncharacterized LOC729220; RP11-304F15.3 |
|-----------------|------------------------------------------------------------------------------------------------------------------|

|                |        |
|----------------|--------|
| <b>Gene ID</b> | 729220 |
|----------------|--------|

|                    |              |
|--------------------|--------------|
| <b>mRNA Refseq</b> | NM_001242791 |
|--------------------|--------------|

|                       |              |
