

# Recombinant Full Length Brucella Suis Probable Intracellular Septation Protein A (Bsuis\_A1775) Protein, His-Tagged

**Cat. No.** RFL2091BF    **Lot. No.** (See product label)

## SPECIFICATION

|                         |                                                                                                                                                                                                                                            |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Full Length Brucella suis Probable intracellular septation protein A (BSUIS_A1775) Protein (B0CIT9) (1-220aa), fused to N-terminal His tag, was expressed in E. coli.                                                          |
| <b>Species</b>          | Brucella suis                                                                                                                                                                                                                              |
| <b>Source</b>           | E.coli                                                                                                                                                                                                                                     |
| <b>ProteinLength</b>    | Full Length (1-220)                                                                                                                                                                                                                        |
| <b>Form</b>             | Lyophilized powder                                                                                                                                                                                                                         |
| <b>AA Sequence</b>      | MEHPVFERDPSEKSETERREVPPLLKLALELGPLLVFFANARGEMLIERFPILGSIG<br>AP IFLATALFMAATVIALAISWSMTRTLPIMPLVSGIVVLVFGALTLWLHNDTFIKMKPT<br>IV NTLFGGILLGGLFFGKSLLGYVFDSAFLDAEGWRKLTLRWGLFFIFLAIVNEIVW<br>RNFS TDTWVSFKVWGIMPITIVFTLLQMPLIQKHSALTDEENTAS |
| <b>Purity</b>           | Greater than 90% as determined by SDS-PAGE.                                                                                                                                                                                                |
| <b>Notes</b>            | Repeated freezing and thawing is not recommended. Store working aliquots at 4°C for up to one week.                                                                                                                                        |
| <b>Storage</b>          | Store at -20°C/-80°C upon receipt, aliquoting is necessary for mutiple use. Avoid repeated freeze-thaw cycles.                                                                                                                             |

|                       |                                             |
|-----------------------|---------------------------------------------|
| <b>Storage Buffer</b> | Tris/PBS-based buffer, 6% Trehalose, pH 8.0 |
|-----------------------|---------------------------------------------|

**Reconstitution**

We recommend that this vial be briefly centrifuged prior to opening to bring the contents to the bottom. Please reconstitute protein in deionized sterile water to a concentration of 0.1-1.0 mg/mL. We recommend to add 5-50% of glycerol (final concentration) and aliquot for long-term storage at -20°C/-80°C. Our default final concentration of glycerol is 50%. Customers could use it as reference.

**GENE INFORMATION****Gene Name**

BSUIS\_A1775

**Synonyms**

yciB; BSUIS\_A1775; Inner membrane-spanning protein YciB

**UniProt ID**[B0CIT9](#) Tel: 1-631-559-9269 1-516-512-3133 Email: [info@creative-biomart.com](mailto:info@creative-biomart.com)  Fax: 1-631-938-8127 45-1 Ramsey Road, Shirley, NY 11967, USA
