

## Recombinant Mouse FGF1 Protein, His (Fc)-Avi-tagged

Cat. No. FGF1-3224M Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                                       |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Mouse FGF1 with His (Fc)-Avi tag was expressed and purified                                                                               |
| Species          | Mouse                                                                                                                                                 |
| Source           | HEK293                                                                                                                                                |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method                                                                                        |
| Purity           | ≥85% by SDS-PAGE                                                                                                                                      |
| Stability        | Stable for at least 6 months from the date of receipt of the product under proper storage and handling conditions. Avoid repeated freeze-thaw cycles. |
| Storage          | For long term storage, aliquot and store at -20 to -80 centigrade. Avoid repeated freezing and thawing cycles.                                        |
| Storage Buffer   | PBS buffer                                                                                                                                            |

### GENE INFORMATION

|                 |                                                  |
|-----------------|--------------------------------------------------|
| Gene Name       | Fgf1 fibroblast growth factor 1 [ Mus musculus ] |
| Official Symbol | FGF1                                             |
| Gene ID         | 14164                                            |
