

## Recombinant Rhesus Macaque STAT2 Protein, His (Fc)-Avi-tagged

Cat. No. STAT2-4333R    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                                       |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Rhesus Macaque STAT2 with His (Fc)-Avi tag was expressed and purified                                                                     |
| Species          | Rhesus macaque                                                                                                                                        |
| Source           | HEK293                                                                                                                                                |
| Endotoxin        | < 1.0 EU per µg of the protein as determined by the LAL method                                                                                        |
| Purity           | ≥85% by SDS-PAGE                                                                                                                                      |
| Stability        | Stable for at least 6 months from the date of receipt of the product under proper storage and handling conditions. Avoid repeated freeze-thaw cycles. |
| Storage          | For long term storage, aliquot and store at -20 to -80 centigrade. Avoid repeated freezing and thawing cycles.                                        |
| Storage Buffer   | PBS buffer                                                                                                                                            |

### GENE INFORMATION

|           |                                                                                                     |
|-----------|-----------------------------------------------------------------------------------------------------|
| Gene Name | STAT2 signal transducer and activator of transcription 2, 113kDa [ Macaca mulatta (Rhesus monkey) ] |
|-----------|-----------------------------------------------------------------------------------------------------|
