

## Recombinant Rhesus Macaque YIF1A Protein, His (Fc)-Avi-tagged

**Cat. No.** YIF1A-5050R    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Rhesus Macaque YIF1A with His (Fc)-Avi tag was expressed and purified                                                                     |
| <b>Species</b>          | Rhesus macaque                                                                                                                                        |
| <b>Source</b>           | HEK293                                                                                                                                                |
| <b>Endotoxin</b>        | < 1.0 EU per µg of the protein as determined by the LAL method                                                                                        |
| <b>Purity</b>           | ≥85% by SDS-PAGE                                                                                                                                      |
| <b>Stability</b>        | Stable for at least 6 months from the date of receipt of the product under proper storage and handling conditions. Avoid repeated freeze-thaw cycles. |
| <b>Storage</b>          | For long term storage, aliquot and store at -20 to -80 centigrade. Avoid repeated freezing and thawing cycles.                                        |
| <b>Storage Buffer</b>   | PBS buffer                                                                                                                                            |

### GENE INFORMATION

|                  |                                                                                                            |
|------------------|------------------------------------------------------------------------------------------------------------|
| <b>Gene Name</b> | YIF1A Yip1 interacting factor homolog A ( <i>S. cerevisiae</i> ) [ <i>Macaca mulatta</i> (Rhesus monkey) ] |
|------------------|------------------------------------------------------------------------------------------------------------|
