

## Recombinant Human Ubal protein

**Cat. No.** Ubal-1264H    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                                                                                                      |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Human Ubal protein was expressed in Enzymatic synthesis.                                                                                                                                                 |
| <b>Species</b>          | Human                                                                                                                                                                                                                |
| <b>Source</b>           | Enzymatic synthesis                                                                                                                                                                                                  |
| <b>Form</b>             | 20 mM sodium acetate(pH 5.0)                                                                                                                                                                                         |
| <b>Purity</b>           | ~95% by SDS-PAGE                                                                                                                                                                                                     |
| <b>Storage</b>          | This product is stable at $\leq -70^{\circ}\text{C}$ for up to 6 months from the date of receipt.<br>For optimal storage, aliquot into smaller quantities after centrifugation and store at recommended temperature. |
