

## Recombinant Human PLA2R1 Protein, Tag Free

**Cat. No.** PLA2R1-0149H    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                                                                         |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Confidential recombinant human PLA2R1 protein                                                                                                                                           |
| <b>Species</b>          | Human                                                                                                                                                                                   |
| <b>Source</b>           | Confidential                                                                                                                                                                            |
| <b>Form</b>             | Lyophilized powder/frozen liquid                                                                                                                                                        |
| <b>Purity</b>           | >90% as determined by SDS-PAGE                                                                                                                                                          |
| <b>Notes</b>            | For research use only.                                                                                                                                                                  |
| <b>Storage</b>          | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8 centigrade for one week. Store at -20 to -80 centigrade for twelve months from the date of receipt. |
| <b>Storage Buffer</b>   | Supplied as solution form in PBS pH 7.4.                                                                                                                                                |
| <b>Reconstitution</b>   | Reconstitute in sterile water for a stock solution.                                                                                                                                     |
| <b>Shipping</b>         | They are shipped out with dry ice/blue ice unless customers require otherwise.                                                                                                          |

### GENE INFORMATION

|                  |                                                                     |
|------------------|---------------------------------------------------------------------|
| <b>Gene Name</b> | PLA2R1 phospholipase A2 receptor 1, 180kDa [ Homo sapiens (human) ] |
|------------------|---------------------------------------------------------------------|
