

## Recombinant Human SELL Protein (Glu109-Ser346), N-GST tagged

Cat. No. SELL-0956H    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                                                                               |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant Human CD62L/SELL (Glu109-Ser346) fused with the N-GST tag was expressed in E. coli.                                                                                               |
| Species          | Human                                                                                                                                                                                         |
| Source           | E.coli                                                                                                                                                                                        |
| ProteinLength    | Glu109-Ser346                                                                                                                                                                                 |
| Form             | Lyophilized powder/frozen liquid                                                                                                                                                              |
| Molecular Mass   | 52.82 kDa                                                                                                                                                                                     |
| Purity           | >90% as determined by SDS-PAGE.                                                                                                                                                               |
| Notes            | For research use only.                                                                                                                                                                        |
| Storage          | Use a manual defrost freezer and avoid repeated freeze thaw cycles.<br>Store at 2 to 8 centigrade for one week.<br>Store at -20 to -80 centigrade for twelve months from the date of receipt. |
| Storage Buffer   | 0.01M PBS, pH 7.4, 0.02% NLS                                                                                                                                                                  |
| Reconstitution   | Reconstitute in sterile water for a stock solution.                                                                                                                                           |

 45-1 Ramsey Road, Shirley, NY 11967, USA

**Shipping** They are shipped out with dry ice/blue ice unless customers require otherwise.

## GENE INFORMATION

**Gene Name** [SELL selectin L \[ Homo sapiens \(human\) \]](#)

**Official Symbol** [SELL](#)

**Synonyms**

SELL; selectin L; LNHR, LYAM1, lymphocyte adhesion molecule 1; L-selectin; CD62L; hLHRc; LAM 1; LAM1; Leu 8; LSEL; Lyam 1; PLNHR; gp90-MEL; pln homing receptor; lymph node homing receptor; lymphocyte adhesion molecule 1; leukocyte surface antigen Leu-8; CD62 antigen-like family member L; leukocyte-endothelial cell adhesion molecule 1; TQ1; LEU8; LNHR; LYAM1; LECAM1;

**Gene ID** [6402](#)

**mRNA Refseq** [NM\\_000655](#)

**Protein Refseq** [NP\\_000646](#)

**MIM** [153240](#)

**UniProt ID** [P14151](#)

**SDS-PAGE**
