

## Recombinant Human CCN1 Protein (Leu178-Asp381), N-His tagged

**Cat. No.** CCN1-1221H    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                                                                                                                               |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant Human CCN1 (Leu178-Asp381) fused with the N-His tag was expressed in E. coli.                                                                                                     |
| <b>Species</b>          | Human                                                                                                                                                                                         |
| <b>Source</b>           | E.coli                                                                                                                                                                                        |
| <b>ProteinLength</b>    | Leu178-Asp381                                                                                                                                                                                 |
| <b>Form</b>             | Lyophilized powder/frozen liquid                                                                                                                                                              |
| <b>Molecular Mass</b>   | 25.39 kDa                                                                                                                                                                                     |
| <b>Purity</b>           | >90% as determined by SDS-PAGE.                                                                                                                                                               |
| <b>Notes</b>            | For research use only.                                                                                                                                                                        |
| <b>Storage</b>          | Use a manual defrost freezer and avoid repeated freeze thaw cycles.<br>Store at 2 to 8 centigrade for one week.<br>Store at -20 to -80 centigrade for twelve months from the date of receipt. |
| <b>Storage Buffer</b>   | 0.01M PBS, pH 7.4, 0.02% NLS                                                                                                                                                                  |
| <b>Reconstitution</b>   | Reconstitute in sterile water for a stock solution.                                                                                                                                           |

**Shipping** They are shipped out with dry ice/blue ice unless customers require otherwise.

## GENE INFORMATION

**Gene Name** CCN1 cellular communication network factor 1 [ Homo sapiens (human) ]

**Official Symbol** CCN1

**Synonyms** CCN1; cellular communication network factor 1; GIG1; CYR61; IGFBP10; CCN family member 1; IBP-10; IGF-binding protein 10; IGFBP-10; cysteine rich angiogenic inducer 61; cysteine-rich heparin-binding protein 61; cysteine-rich, anigogenic inducer, 61; insulin-like growth factor-binding protein 10; protein CYR61

**Gene ID** 3491

**mRNA Refseq** NM\_001554

**Protein Refseq** NP\_001545

**MIM** 602369

**UniProt ID** O00622
