

## Recombinant Human LILRA4 Protein (Met1-Asn446), C-His tagged

Cat. No. LILRA4-4152H    Lot. No. (See product label)

### SPECIFICATION

|                  |                                                                                                                                                                                         |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Overview | Recombinant human LILRA4 (Met1-Asn446) fused with the C-terminal His tag was expressed in Mammalian cells.                                                                              |
| Species          | Human                                                                                                                                                                                   |
| Source           | Mammalian Cells                                                                                                                                                                         |
| ProteinLength    | Met1-Asn446                                                                                                                                                                             |
| Form             | Lyophilized powder/frozen liquid                                                                                                                                                        |
| Molecular Mass   | 49.06 kDa                                                                                                                                                                               |
| Endotoxin        | < 1.0 EU/μg of the protein as determined by the LAL method.                                                                                                                             |
| Purity           | >90% as determined by SDS-PAGE.                                                                                                                                                         |
| Notes            | For research use only.                                                                                                                                                                  |
| Storage          | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8 centigrade for one week. Store at -20 to -80 centigrade for twelve months from the date of receipt. |
| Storage Buffer   | Supplied as solution form in PBS or lyophilized from PBS.                                                                                                                               |

**Reconstitution** Reconstitute in sterile water for a stock solution.

**Shipping** They are shipped out with dry ice/blue ice unless customers require otherwise.

## GENE INFORMATION

**Gene Name** LILRA4 leukocyte immunoglobulin-like receptor, subfamily A (with TM domain), member 4 [ Homo sapiens (human) ]

**Official Symbol** LILRA4

**Synonyms** LILRA4; leukocyte immunoglobulin-like receptor, subfamily A (with TM domain), member 4; leukocyte immunoglobulin-like receptor subfamily A member 4; CD85g; ILT7; ILT-7; immunoglobulin-like transcript 7; CD85 antigen-like family member G; leukocyte immunoglobulin-like receptor, subfamily A (without TM domain), member 4; MGC129597; MGC129598;

**Gene ID** 23547

**mRNA Refseq** NM\_012276

**Protein Refseq** NP\_036408

**MIM** 607517

**UniProt ID** P59901
