

## Recombinant MPXV A35R Protein (Val57-Thr181), C-His tagged

**Cat. No.** A35R-5849M    **Lot. No.** (See product label)

### SPECIFICATION

|                         |                                                                                               |
|-------------------------|-----------------------------------------------------------------------------------------------|
| <b>Product Overview</b> | Recombinant MPXV A35R Protein (Val57-Thr181) with C-His tag was expressed in mammalian cells. |
| <b>Species</b>          | MPX                                                                                           |
| <b>Source</b>           | Mammalian Cells                                                                               |
| <b>ProteinLength</b>    | Val57-Thr181                                                                                  |
| <b>Form</b>             | Liquid                                                                                        |
| <b>Molecular Mass</b>   | 16.65 kDa                                                                                     |
| <b>Purity</b>           | > 90 % as determined by SDS-PAGE                                                              |
| <b>Notes</b>            | For research use only.                                                                        |
| <b>Storage Buffer</b>   | Supplied as solution form in PBS, pH 7.4.                                                     |
| <b>Reconstitution</b>   | Reconstitute in sterile water for a stock solution.                                           |
