

## Recombinant Helicobacter pylori (CagA) Antigen

Cat. No. HEL-239    Lot. No. (See product label)

### SPECIFICATION

#### Product Overview

|              |                                                                                                                                                                                                                                                  |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purity       | >95%                                                                                                                                                                                                                                             |
| Formulation  | 20 mM PBS, pH 7.4 with 0.01% SDS                                                                                                                                                                                                                 |
| Applications | ELISA, Lateral Flow (double antigen sandwich assays for IgG detection)                                                                                                                                                                           |
| Storage      | Short Term ( $\leq 2$ weeks): 2-8 centigrade. Long Term: -20 centigrade. Avoid repeated freezing and thawing.                                                                                                                                    |
| Notes        | This product is intended for research and manufacturing uses only. It is not a diagnostic device. The user assumes all responsibility for care, custody and control of the material, including its disposal, in accordance with all regulations. |
| Type         | Recombinant                                                                                                                                                                                                                                      |
| ClassID 1    | Infectious Disease                                                                                                                                                                                                                               |
| Specificity  | H. pylori CagA & GroEL                                                                                                                                                                                                                           |
