

## Recombinant HSV 2-gB Antigen

**Cat. No.** HER-282    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

**Molecular Mass**            ~80 kDa

**Purity**                        >90% by SDS-PAGE

**Formulation**                10 mM PBS, pH 7.6

**Applications**               ELISA, WB

**Storage**                      Short Term (<1 week): 2-8 centigrade. Long Term: -20 centigrade

**Notes**                        This product is intended for research and manufacturing uses only. It is not a diagnostic device. The user assumes all responsibility for care, custody and control of the material, including its disposal, in accordance with all regulations.

**Type**                          Recombinant

**ClassID 1**                     Infectious Disease

### GENE INFORMATION

**Synonyms**                   HSV 2-gB
