

## Mouse Anti Human CA242 Monoclonal Antibody (IVD grade)

**Cat. No.** CA242-020H-MAB    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| <b>Species</b>           | Human                                                       |
| <b>Source</b>            | Mouse                                                       |
| <b>Type</b>              | Monoclonal Antibody                                         |
| <b>Application</b>       | Enzyme immunoassay/luminescence/chromatography              |
| <b>Description</b>       | Capture/Detection antibody                                  |
| <b>Purity</b>            | > 95% by SDS-PAGE                                           |
| <b>Isotype</b>           | Mouse IgG1                                                  |
| <b>Starting Material</b> | Cell culture supernatant                                    |
| <b>Axial Flow Column</b> | Protein G Sepharose                                         |
| <b>Storage</b>           | Store at -80 centigrade. Avoid repeated freeze-thaw cycles. |
| <b>Storage Buffer</b>    | PBS (pH7.3), 0.1% NaN <sub>3</sub> .                        |
