

## Mouse Anti Human IL-17A Monoclonal Antibody, clone 1E4 (IVD grade)

**Cat. No.** IL17A-035H-MAB    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                   |                                                |
|-------------------|------------------------------------------------|
| Species           | Human                                          |
| Source            | Mouse                                          |
| Clone             | 1E4                                            |
| Type              | Monoclonal Antibody                            |
| Application       | Enzyme immunoassay/luminescence/chromatography |
| Description       | Detection antibody                             |
| Starting Material | Cell culture supernatant                       |
| Axial Flow Column | Protein G Sepharose                            |
| Storage           | Store at 2-8 centigrade. Do Not freeze.        |
| Storage Buffer    | PBS (pH7.3), 0.1% NaN <sub>3</sub> .           |

### GENE INFORMATION

|           |                                                |
|-----------|------------------------------------------------|
| Gene Name | IL17A interleukin 17A [ Homo sapiens (human) ] |
|-----------|------------------------------------------------|
