

## Rabbit Anti Human P-Tau217 Monoclonal Antibody, clone 1A9 (IVD grade)

**Cat. No.** MAPT-085H-MAB    **Lot. No.** (See product label)

### SPECIFICATION

#### Product Overview

|                          |                                                |
|--------------------------|------------------------------------------------|
| <b>Species</b>           | Human                                          |
| <b>Source</b>            | Rabbit                                         |
| <b>Clone</b>             | 1A9                                            |
| <b>Type</b>              | Monoclonal Antibody                            |
| <b>Application</b>       | Enzyme immunoassay/luminescence/chromatography |
| <b>Description</b>       | Capture antibody                               |
| <b>Starting Material</b> | Cell culture supernatant                       |
| <b>Axial Flow Column</b> | Protein A Sepharose                            |
| <b>Storage</b>           | Store at 2-8 centigrade. Do Not freeze.        |
| <b>Storage Buffer</b>    | PBS (pH7.3), 0.1% NaN <sub>3</sub> .           |

### GENE INFORMATION

|                  |                                                                  |
|------------------|------------------------------------------------------------------|
| <b>Gene Name</b> | MAPT microtubule-associated protein tau [ Homo sapiens (human) ] |
|------------------|------------------------------------------------------------------|
